Waddie Welcome and the Beloved Community Reading and Discussion

Where:

When:

WADDIE WELCOME & THE BELOVED COMMUNITY tells the story of friendships that transcended divisions of disability, race, and income. The book that Tom Kohler & Susan Earl have written, which can be read in about 45 minutes, is a powerful way for groups to have a conversation about community, friendship, and empowerment. Let's gather, read, and talk about what it means to us.
